ISBN 978075647154 • \$60.00

"American Furniture has compiled the finest and most significant pieces of furniture from the past century, and presents them in a way that is both accessible and inspiring. It provides not only the history, but also the context for each piece, and is a must-read for anyone interested in the history of American furniture." —*Journal of the American Ceramic Society*

"This is a superb, full-scale history of the field of American furniture. The authors are leading, practicing, and distinguished in their American furniture knowledge, and their up-to-date research is the most current and comprehensive published source for the dimensions of the field." —*Journal of the American Ceramic Society*
